Rheumatism Sufferers Give This A Trial

The Antidote of Uric Acid Found Gives Remarkable Results

Immediate relief to rheumatism sufferers and an absolute, quick safe cure. This is now assured, for the antidote to uric acid has been found. This antidote, moreover, is as safe as the air you breathe, yet it destroys every particle of uric acid in the blood and in every tissue, joint, muscle and part of the body.

Cases of years standing have been cured with "Rheumatism Drops," also kidney trouble of years standing. Remember, it does not require more than two bottles to effect a cure, and as a rule one bottle is sufficient. Why use plaster and electric pads when they merely draw the pain from one place to another? Get a bottle of Rheumatic Drops and have the disease driven from your system.

Guaranteed by Wm. F. Kastner, under the food and drug act, June 30, 1906. Serial No. 38420. One bottle of Rheumatic Drops will be sent prepaid upon the receipt of \$1.00.

Colds Are Often Most Serious Stop Possible Complications.

The disregard of a Cold has often brought many a regret. The fact of Sneezing, Coughing, or a Fever should be warning enough that your system needs immediate attention. Certainly Loss of Sleep is most serious. It is a warning given by Nature. It is man's duty to himself to assist by doing his part. Dr. King's New Discovery is based on a scientific analysis of Colds. 50c, at your Druggist. Buy a bottle to-day. 43-4

EDITOR'S "PSALM OF LIFE"
Tell me not in mournful numbers, that my merchants are unwise. 'Tis the business man that slumbers who will never advertise. Life is real, life is earnest, and if his is on the blink, see that quickly turn returned to the use of printer's ink. Keen enjoyment and not sorrow will be galloping your way, if you wait not till the morrow, but will advertise today. Art is long and time is fleeting; just be nifty and keep brave; if your rivals would be beating, make the "ad" your silent slave. In the world's broad field of battle, be a "big gun" midst the strife; advertise and make things rattle; it will pay you better than a fight. Trust no future, however pleasant; do not trust to luck ahead; with no advertisement present, how can business be but dead? Lives of business men remind us we can have the luck they've had, if we'll have our nerve behind us and will place a little "ad." You should then be up and doing, if you're ready to get the cash; if your "ad" the world is viewing, you will never go to smash!-EX.

MILDRED MYRLE LAYMAN.
Mildred Myrle Layman, of Jacob and Ardelia Layman, was born near Tedrow, Ohio, August 19, 1906, and died February 16, 1915, aged 8 years 5 months and 27 days.

She was a bright active child always ready to be doing something and others and especially to her twin sister. She had been confined to her bed for 8 weeks and suffered intensely but bore it patiently. She leaves a father, mother, five sisters and two brothers to mourn their loss.

Two sisters having preceded her to the great
